Dear Alex:

The Committee on Financial Aid has carefully reviewed the additional information your family submitted recently and is pleased to offer you the following revised financial aid award:

Source:	Fall	Spring	Total
Harvard National Scholarship	8,425	8,425	16,850
Federal Supp. Ed. Opportunity Grant	1,000	1,000	2,000
Estimated Federal Pell Grant	1,850	1,850	3,700
Self Help Offer (Total Job and Loan)	1,875	1,875	3,750
	-----	-----	-----
Total Awards:	13,150	13,150	26,300

Your estimated costs and resources for the academic year are outlined below:

Budget Category	Amount	Resources	Amount
Tuition & Fees	33,709	Parental Contribution	20,000
Room and Board	9,946	Student Contribution	1,550
Personal Expenses	2,795		-----
Travel Allowance	1,400	Family Contribution	21,550
	-----		
Budget totals	47,850	Need (Budget - Resource)	26,300

The self-help amount shown here is the combined total of job and/or loan resources that you are expected to contribute toward your college costs for the coming year. You are eligible to work under the Federal Work Study Program, and if you choose to borrow any portion of the self-help amount, it is our expectation that you will be offered a Federal Perkins Loan with a 5% interest rate. You may choose any combination of job and/or loan to meet this expectation. Please consult the Self-Help brochure that describes how to meet your self-help expectation for some examples. To request a loan, please visit [www.fao.fas.harvard.edu/students/selfhelp.html](http://www.fao.fas.harvard.edu/students/selfhelp.html). If you decide you do not want a student loan, we will assume that you wish to meet the self-help expectation by working or with other family resources. Depending on your federal eligibility, it may also be possible for you to earn and/or borrow more than the self-help amount shown. If you wish to do so, please make an appointment with your financial aid officer when you arrive on campus in the fall.
