THE PARENT PLUS LOAN MASTER PROMISSORY NOTE

In order for the PLUS Loan to be disbursed to the student's bursar account, a Master Promissory Note (MPN) must be completed by the parent borrower. To complete the MPN, please go to the Department of Education's Federal Direct Loan web site located at: https://StudentLoans.gov and sign the MPN for PARENT PLUS LOAN. You will be required to use your FAFSA PIN. If you do not have a PIN, please visit the Department of Education PIN site at: www.pin.ed.gov.

TERMS

- The maximum PLUS Loan amount that a parent can borrow is the student's cost of attendance minus any other financial aid the student receives.
- To borrow a PLUS Loan for a student, the parent must be the student's biological parent, or adoptive parent. A step-parent is also eligible to borrow a PLUS Loan if that parent's income and assets were taken into account when calculating the expected family contribution (EFC). A legal guardian is not considered a parent for a PLUS Loan.
- The parent borrower must be a United States citizen or eligible noncitizen.
- The student must be a United States citizen or eligible noncitizen.
- The parent borrower cannot be in default on any federal loans, and does not owe a refund on any federal education grants.

The Federal Direct PLUS Loan has a fixed interest rate of 7.9%. An origination fee of 4% will be deducted from the total amount borrowed. You may apply for this by including it in the total.

This is a credit-based loan. The parent applicant data will be put through a credit check process by the Department of Education's Servicing Center. The Servicing Center will notify the parent the results of the credit decision.

OPTIONS IF DENIED

The applicant has three options if denied a PLUS Loan.

- 1) Work with the Department of Education to request a review of the credit check. There may be inaccurate information on the applicant's credit report.
- 2) Obtain an endorser signature. (Please be aware that the endorser must also pass a credit check.) This form will be sent from the Department of Education's Servicing Center.
- 3) If a parent is denied, the student is then eligible for a Federal Direct Unsubsidized Loan. The student would complete the William D. Ford Federal Direct Loan request form, which is located on Cornell's financial aid website.
